<p>Remarks: Re the suggested topics in your 25 Oct. note, we tried to cover items a. & b. as briefly as we could--the DCID's that are referred to form the basis for most of JAEIC's responsibilities (item a.) and our listing of major JAEIC activities represents our response to item b. Regarding items c. and d., however, we have no particular problems to present, thus no specific comments re this, and no changes to recommend--with only the continuing suggestion that efforts be made toward keeping in touch as well as possible between JAEIC activities and NFAC interests.</p>
